ELECTION OF OFFICERS

The constitution of the White Water Meadows Citizens' Association declares that the Officers of the Association shall be a President, first and second vice Presidents, a Secretary and an Assistant, a Treasurer and an Assistant, a Public Relations Officer (PRO) and an Assistant. **The constitution also requires that nominations for officers be made at the last regular meeting preceding the AGM.**

The election of officers will take place at the annual general meeting set for the 2nd Sunday in August, 2006 at 4:30 p.m. All are encouraged to attend the meeting and vote for the community's leaders. Each household will have one vote only.

The election of officers will be preceded by reports from the Interim Executive. Main presentations should come from the President and the Treasurer.

The democratic process can only be a worthwhile option if people participate. The election of officers for the leadership of the Association is an important part of that process - it is up to the citizens to do the right thing.

Jokers Wild

Two boys were boasting about the great feats their fathers had performed. The first boy said, "Do you know Mt. Killamanjaro? Well, my father built it." Not to be outdone the second boy responded, "Do you know the dead sea? Well, my father killed it".

We know you can better this one, so send us your clean fun-loving family jokes and we will publish them this space.
